Description

Lima Rescue Mission was founded in 1906 with a goal of assisting men with both physical and spiritual needs. For over 118 years, this has been accomplished by providing food, clothing and shelter as well as Bible studies, chapel services, classes and one on one spiritual counseling. We strive to provide a safe and secure environment that promotes positive life changes and where healing takes place. The Mission also ministers to children facing adversity through an after school program and summer day camp at our campgrounds, Camp Roberts.

Purpose & Vision

The purpose of Lima Rescue Mission is to glorify God by sharing His love with people in need through Christ-centered programs and services. Our vision is to see the lives of everyone we serve transformed, helping them to become independent and productive members of society by providing for their spiritual, physical and emotional needs.

Funding

Lima Rescue Mission relies on donations from individuals, businesses, churches, foundations and organizations to meet operating costs. We do not receive funding from any government or other agencies. The generosity of people in the community allows us to continue reaching the poor and homeless daily.
